

was attached so there was no question--

SENATOR RICHENDIFER: What, what was the purpose--

PRESIDENT: We're going to pass over the bill. Let's move on to Senator Frank Lewis' bill. The problem is that we have enough business on the desk to take us clear up until adjournment time but the Chair is anxious to move as many things as we can and we're trying to accommodate the Senators and the Chair is willing to work here however long it takes in order to accommodate you but we do have to move on. Now, Senator Carpenter, for what purpose do you rise.

SENATOR CARPENTER: Just to suggest we stay here until 12:15 or as long as 25, we're here up to that point so we can take care of the members' requests.

PRESIDENT: Let's see if we can work a little longer here. We have a few requests here to take care of and it doesn't seem unreasonable. What do we have in the way of Senator Frank Lewis' bill?

SENATOR F. LEWIS: Number 363, Mr. Chairman.

PRESIDENT: 363? Thank you sir. L.B. 363. Senator Frank Lewis' bill.

SENATOR F. LEWIS: Mr. President and Members of the body, L.B.--

PRESIDENT: Senator Lewis, we have to read the title first here.

SENATOR F. LEWIS: All right. It affects whether--I was trying to hurry.

PRESIDENT: Kill motion, I know, but if a kill motion should come up on it, it affects the amount of votes it takes.

CLERK: Legislative Bill 363, introduced by Senator F. Lewis of the 45th district. (read). There are no committee amendments.

PRESIDENT: All right. Back to you, Senator Lewis.

SENATOR F. LEWIS: Mr. Chairman, this bill simply updates the Uniform Commercial Code. The reason I introduced it was that the previous code had placed a person in this State who bought a title in good--who bought a car in good faith that was titled and the lien wasn't noted in another state, he had a secondary claim. The new Uniform Commercial Code says that if a person buys a car in good--or some vehicle that requires titling, buys it in good faith why the secondary claim then belongs to the out of state party who had the original lien--I'm off, but again, this, the language is exactly the same as the Uniform Code. It's recommended by--we have not changed anything. There was no opposition to it. It's an update measure.

PRESIDENT: Any further discussion of the bill? Question is shall L.B. 363 be advanced from general file to E&R initial. All those in favor vote aye. All those opposed vote no. Have you all voted? Senator Chambers voting aye. Thank you. Clerk will record.

CLERK: 25 ayes, no nays, Mr. President.

PRESIDENT: Senator Chambers was voting aye on that, 26 ayes. Thank you. Senator Richard Lewis, what's the number of your bill that you wanted to take up?

SENATOR R. LEWIS: L.B. 416.

PRESIDENT: 416, yes sir. L.B. 416. Clerk will read the title.
